Re: Notice of Ex Parte Presentation, WC Docket No. 17-108

Dear Ms. Dortch,

This letter is to advise you, in accordance with the Commission's rules, that on April 28, 2017, Mike Montgomery, executive director of CALinnovates, met with Federal Communications Commission Chairman Ajit Pai to discuss CALinnovates' preferential path toward a permanent solution to affirmatively enshrine net neutrality into law.

CALinnovates – a coalition of technology leaders, startups, and entrepreneurs – seeks permanence on the issue. In the meeting, Montgomery stressed the importance of enacting bipartisan legislation through Congress rather than relying on a new set of regulations. Such a legislative solution will benefit consumers and the entire technology ecosystem, enhance innovation, investment and competition.

Mike Montgomery
